

JOB DESCRIPTION

SENIOR LECTURER

Area of specialisation: Socioeconomics and management of sport

Full-time position: 100%

Profile

- PhD in management or sports science or equivalent qualification
- Academic teaching experience
- Proven research record in socioeconomics and issues of integrity in international sport as well as new trends (globalisation and digitalisation of sport, e-sport, security, etc.) impacting the management of public and private-sector participants in the field of sport.
- This position is open to applicants with an interdisciplinary background.
- An interest in issues relating to digitalisation in sports management would be an advantage.
- Good links with international networks.
- Excellent French and good knowledge of English.

Teaching (50%)

Six hours a week of teaching throughout the year in French:

- Approaches and research methods in social sciences in sport (Master's, 4 hours/semester, equivalent to 2 hours/year)
- Sports marketing: principles and practice (Master's, 4 hours/semester, equivalent to 2 hours/year)
- Socioeconomics of sport (Master's, 2 hours/semester, equivalent to 1 hour/year)
- Public policy development in sport (Master's, 2 hours/semester, equivalent to 1 hour/year)

Plus supervision of Master's dissertations.

Research (45%)

The post-holder will pursue their own research in connection with socioeconomic issues and integrity in sport at both the local and global level (with expertise in international sport, in particular). S/he will be expected to produce very high-quality academic publications.

S/he will be expected to participate in the Institute of Sports Sciences (ISSUL).

S/he will seek external funding, in particular from the Swiss National Science Foundation (SNSF).

Administrative responsibilities (5%)

In accordance with statutory requirements and in the name of collegiality, the post-holder will take on any administrative tasks that may be assigned to them by the Institute, Faculty, University or university decision-making bodies.

Faculté des sciences sociales et politiques

Décanat SSP

Institutional environment

The post is located in the Institute of Sports Sciences (ISSUL) and the Faculty of Social and Political Sciences.

Starting date: 1 August 2021

Candidates are invited to submit their application via the online platform containing a cover letter, academic CV (including publications list), copies of diplomas and qualifications and a selection of five main publications in PDF format. Only applications submitted via the online system will be considered.

References: a maximum of 3 names with e-mail addresses is sufficient. There is no need to contact them at this stage of the application process; we will do so directly if necessary.

Further information can be obtained from Prof. Markus Lang (markus.lang@unil.ch)

Deadline for applications: 28 February 2021

UNIL is committed to promoting gender equality and diversity and strongly encourages applications from female candidates.
